

# CLASSIFICATION OF GRAND CRU OF ITALY

TOP ITALIAN WINES ACCORDING TO AUCTION RESULTS FROM 2004 TO DATE

The Classification of Grand Cru of Italy was launched in 2009 by Gelardini & Romani Wine Auction and offers a fascinating insight into the evolution of the Italian wine scene.

Initially divided into five price classes, the labels now fall into seven classes, reflecting the increasing diversity and competitiveness of the market.

This classification approach, which is anchored in price levels and the percentage of unsold lots, continues to guide collectors and investors in discovering the most sought-after and precious gems of the Italian wine world.

A short but intense journey through time and oenological space.

**Welcome to the Classification of Grand Cru of Italy 2024.**

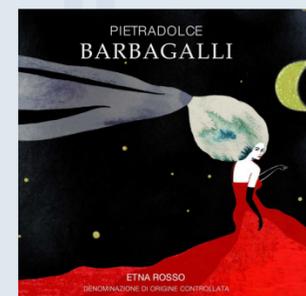

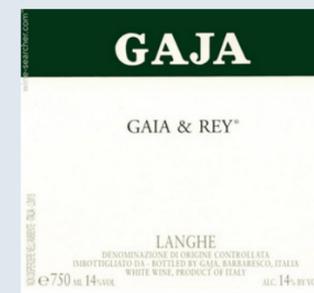

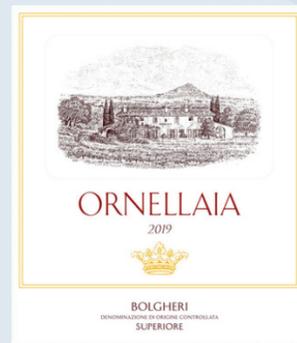

*“Looking at the evolution of Gelardini & Romani’s Grand Crus of Italy over almost 15 years, it is striking to see how the wines made from Italy’s autochthonous varieties – Nebbiolo, Sangiovese and Nerello Mascalese, for the first time in 2024, – have excelled alongside the classically collectibles Supertuscans. It is truly a proud moment for Italy.”*

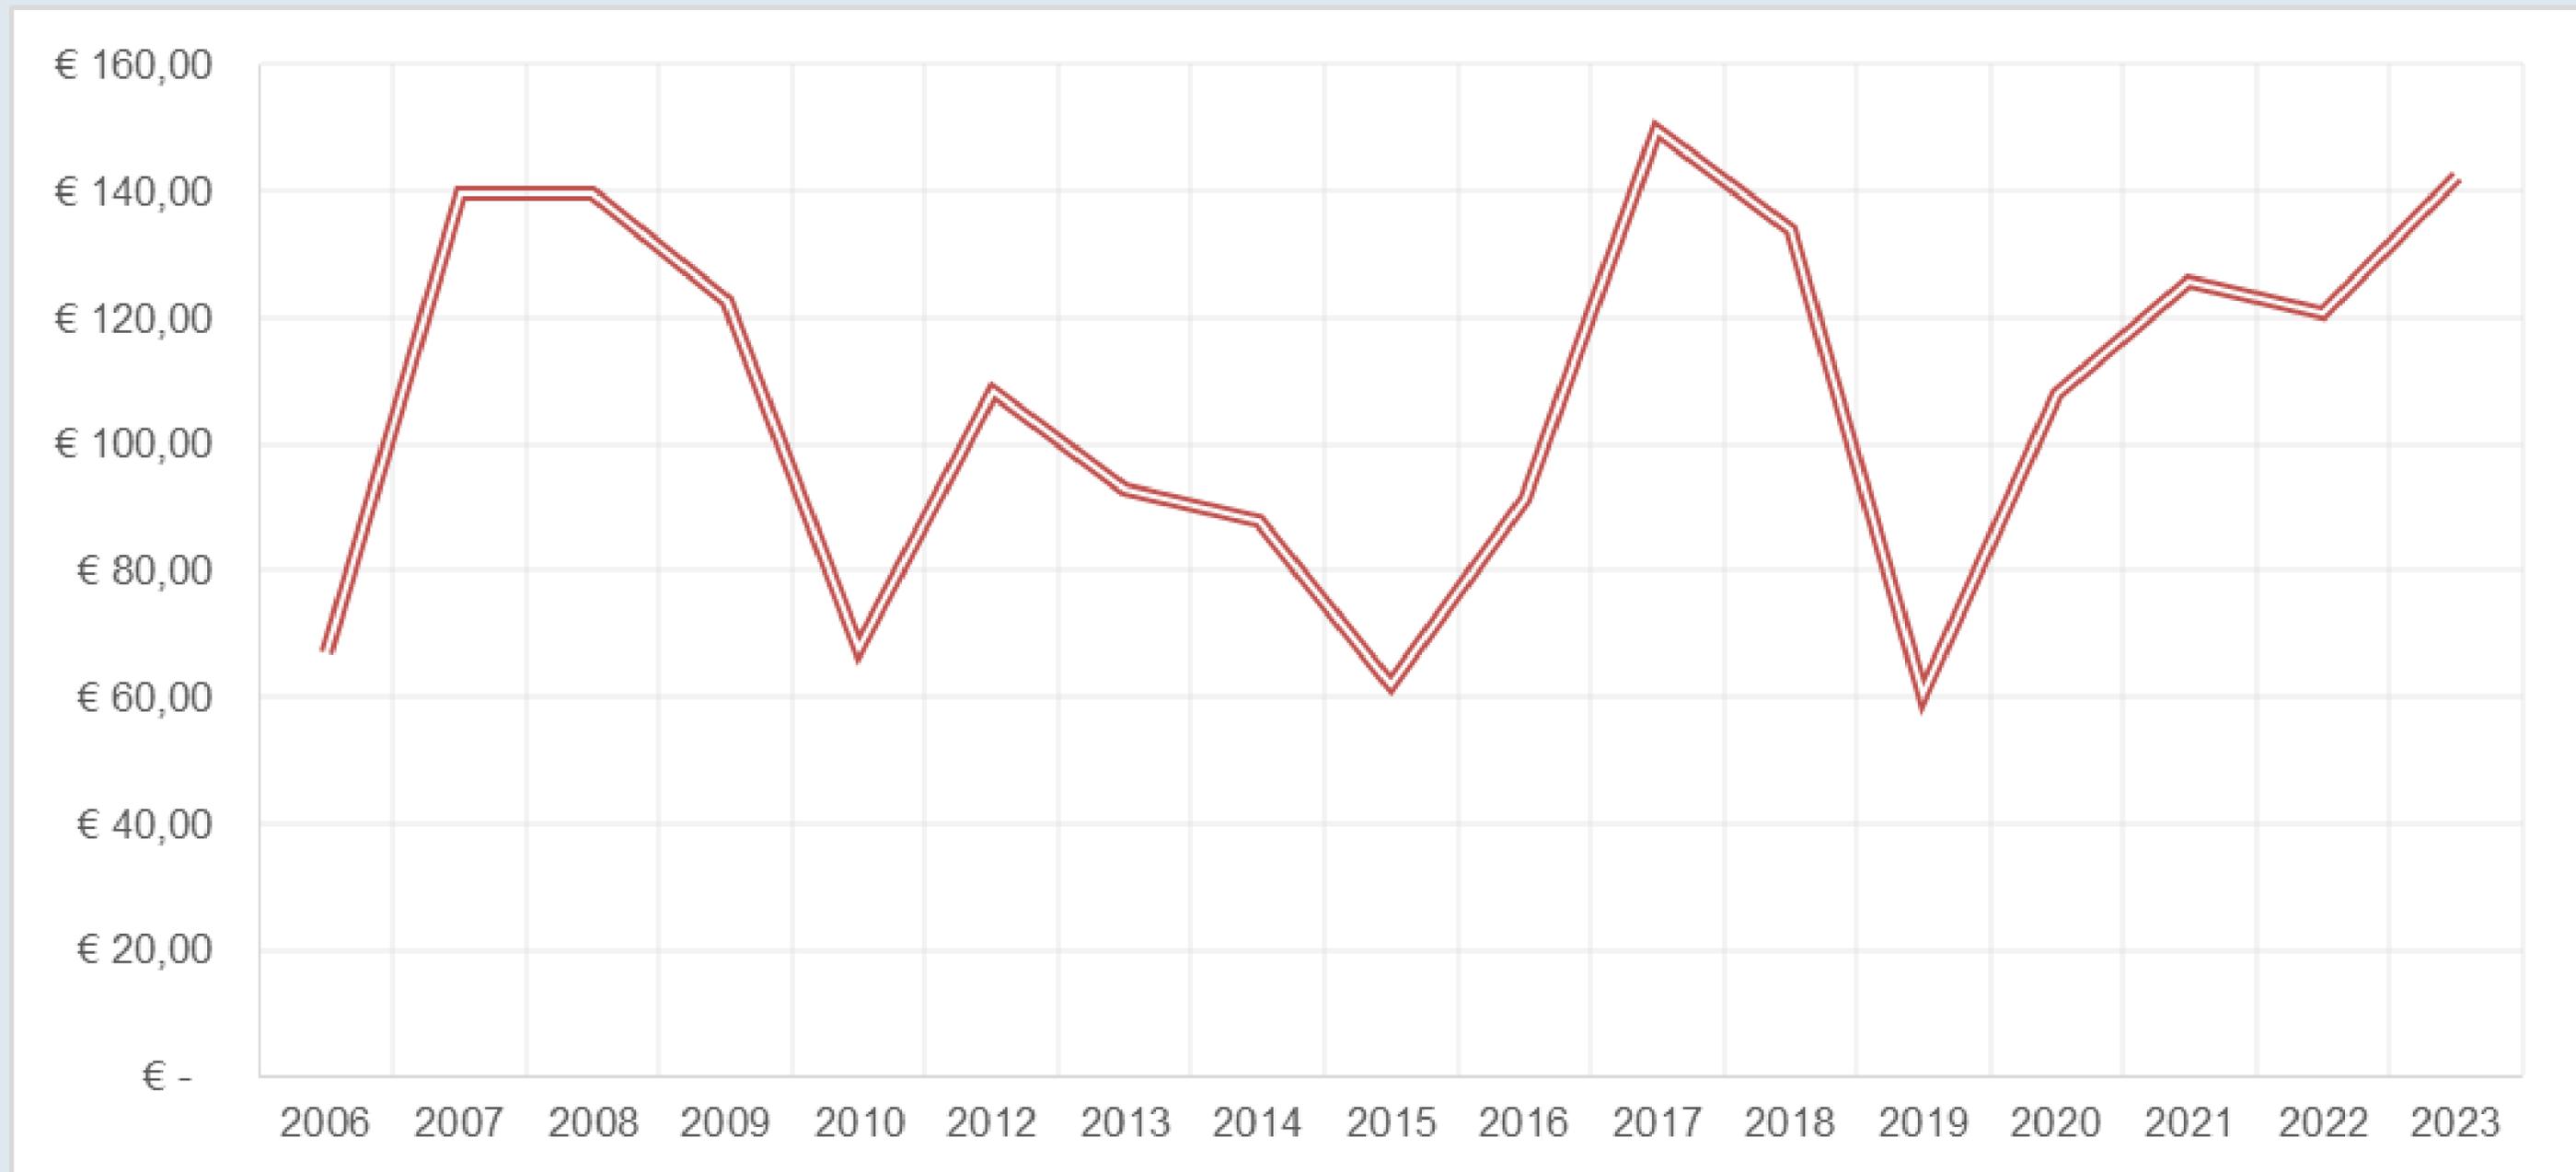

*Sarah Heller, Master of Wine*
